

Dar es Salaam - 50 Major Businesses

Without Websites | Tanzania Business Directory 2025

Dar es Salaam

50 Major Businesses Without Websites

Tanzania Business Directory 2025

Research: OWL for Lazaro John

This directory lists 50 of the largest and most important businesses operating in Dar es Salaam, Tanzania, that either have no website at all or have a very limited web presence. These companies span across all major sectors including manufacturing, aviation, banking, telecommunications, transport, energy, agriculture, tourism, and real estate.

Dar es Salaam is Tanzania's commercial capital and largest city, with a population of over 6 million people. It is the financial hub of East Africa and home to the country's most important port, stock exchange, and corporate headquarters.
